

Assam Energy Institute, Sivasagar

Centre of

Rajiv Gandhi Institute of Petroleum Technology, Jais, Amethi

विद्यारत्नम् नमोऽस्तुते

PLACEMENT BROCHURE 2021

(An institute of National Importance established under an Act of Parliament)
Set up by the Ministry of Petroleum and Natural Gas (MoPNG), Govt. of India

Vision

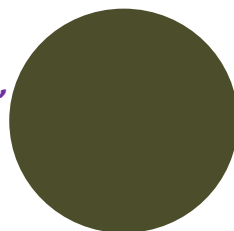

"To serve as the fountainhead for nurturing of world class manpower capable of being the future leaders of technology and techno-innovation in the broad field of petroleum technology and energy sector"

The Ministry of Petroleum & Natural Gas (MoPNG), Government of India set up The Rajiv Gandhi Institute of Petroleum Technology (RGPT) through an Act of Parliament ("Rajiv Gandhi Institute of Petroleum Technology Act 2007"). It is also in association with leading International Universities/Institutions. Assam Energy Institute, Centre of RGPT currently runs from its own campus located at Gohain Gaon, Sivasagar.

RGPT has been accorded the eminence of being an "Institute of National Importance" along with the lines of Indian Institute of Technology (IIT). RGPT is co-promoted as an energy domain specific institute by six leading Oil Public Sector Units (ONGC, IOCL, OIL, GAIL, BPCL, HPCL) in association with the Oil Industry Development Board (OIDB).

It caters specific areas in the domain of the Hydrocarbon sector. Assam is a hub in Oil & Gas sector and hence the location at Sivasagar in the upper reaches of the Brahmaputra Valley for the Centre is considered appropriate in view of the extensive oil field activities being carried out in the vicinity.

About us

Mission

"Creating a dynamic state-of-the-art learning and working environment, where intellectual ideas are nurtured and new ideas creatively flourish, from which will emerge research scholars and graduates, with the ability to be the leaders and innovators of tomorrow"

Diploma Programmes

Our programmes are designed, reviewed and offered catering to the industrial scenario in North-East India and create skilled manpower ready to join the industries of India

Existing programmes:

- ❖ **Chemical Engineering**
- ❖ **Petroleum Engineering**
- ❖ **Mechanical Engineering**

Newly inducted
programmes in 2020

- ❖ **Fire & Safety
Engineering**
- ❖ **Electronics &
Instrumentation
Engineering**

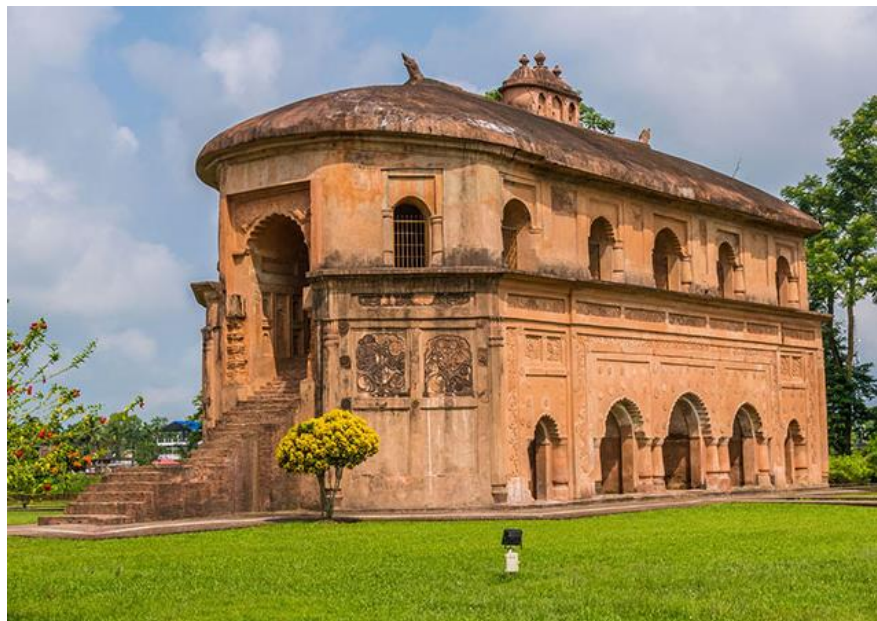

Assam is rich in Oil & Gas and it's allied & partner industries which leverages our students to explore and get exposure to the industrial scene of the region

Sivadol

Our Strength

- Highly qualified faculty
- Industry orientated course curriculum
- Strong industry academia collaboration
- Modern state of art infrastructure
- Situated in the culturally rich Heritage Town of Assam

T & P CELL ACTIVITIES

Our Industrial Training Partners

A part of the rich course syllabi is to expose student to the real world of industry

JayBee Energy Pvt. Ltd.

Student Development Programmes

Industrial visits and seminars/talks are organized to enhance the understanding of course contents

JayBee Energy Pvt. Ltd.

EduCAVE

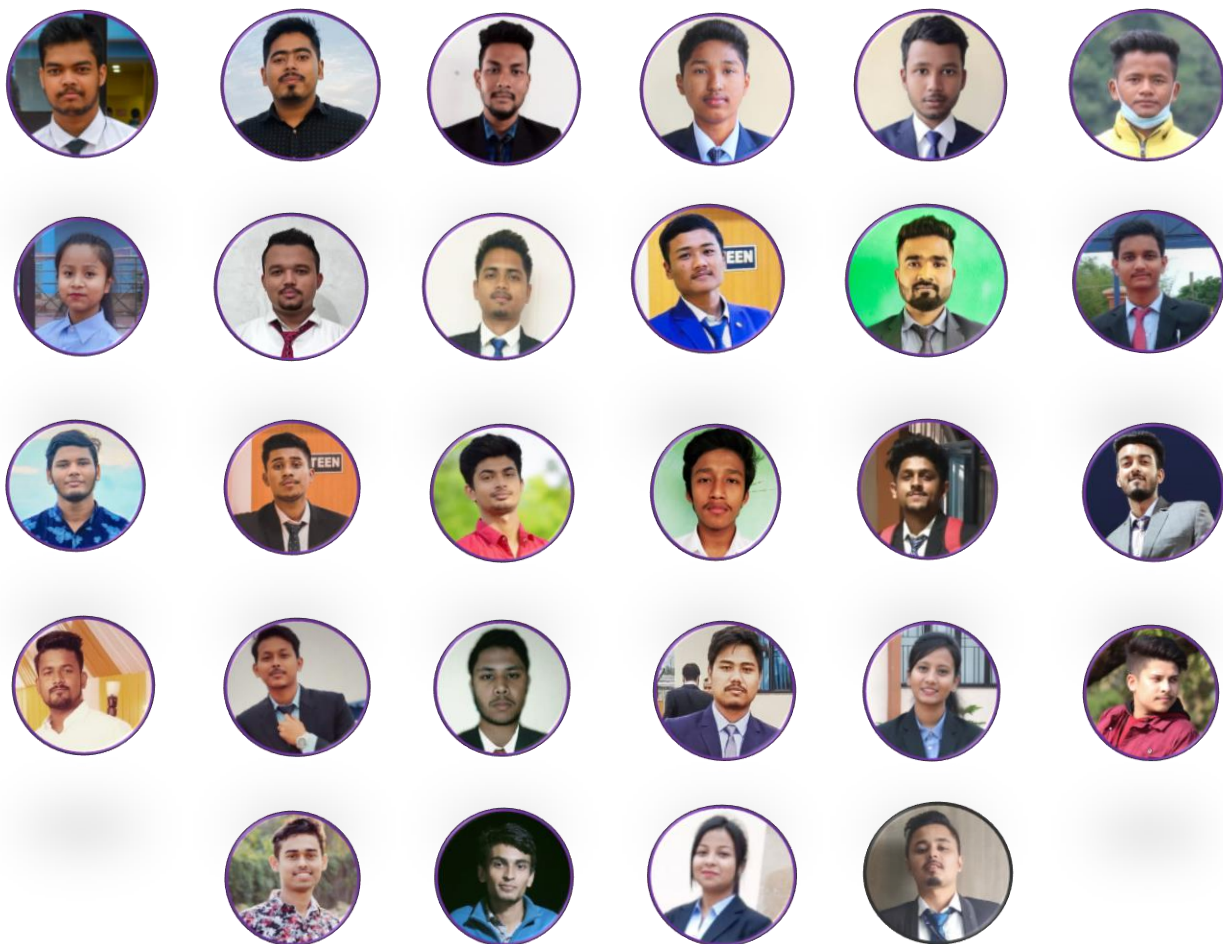

Recruiters

Opportunities for the students to step into the industry through Campus Placement and Apprentice Trainee Programmes

Future industry leaders

Our students undergoing training and work and gaining experience in industries

Batch profile for 2021 placement

**The institute is
offering 84 final
year students of
Diploma
programmes for the
2021 placement
season**

Chemical Engineering: 30

Petroleum engineering: 27

Mechanical engineering: 27

Placement Procedure

The tentative date of start of recruitment session will begin from second half of January 2021

Phase I

- ❖ **Recruiters register on our placement portal**
<https://www.rgipt.ac.in/en/page/training-and-placement-aei>
- ❖ **Recruiters download the job application form filling out the details of the organization, job profile and salary offered.**
- ❖ **The filled form is then sent to Chairman, T&P Cell at**
placement&amcentre@rgipt.ac.in

Phase II

- ❖ **Training & Placement Cell will reach out to the recruiter through email/phone**
 - ❖ **T&P cell and recruiter will discuss on topics of job description, CTC being offered, Pre-Placement Talk**

Phase III

- ❖ **Dates of visiting the campus for recruitment are finalized**
- ❖ **On campus, recruiters can conduct written test, Group discussions and interviews according to their preferred procedures and student count**
- ❖ **Recruiters need to provide list of selected students after the selection procedure only to the T&P Cell as early as possible as once a student is offered a job, he or she is ineligible to apply for any other recruiters**
- ❖ **Job offers are informed to the students only through the T&P Cell**

FAQs

How is Sivasagar connected with rest of the country

Sivasagar, the Heritage Town of Assam is well connected by air, railway and highways. The nearest airport are Jorhat Airport and Dibrugarh Airport. From Jorhat or Dibrugarh, Road Taxi services are available to Sivasagar (1 hr from Jorhat/2 hours from Dibrugarh). Sivasagar town train station caters to some routes. The Nearest junction is Simaluguri Junction about 20 mins away from Sivasagar town. Sivasagar is well connected through National and State Highways to all major cities of Assam and northeast India.

How long will the placement process continue?

For 2021, Placement season will begin in January and will continue till July. Recruiters can visit the campus, interact with students before finalizing their campus recruitment visit.

Where will we be accommodated?

Being a tourist town and rich of history, Sivasagar is full of hotels/stay-inns/lodges/B&B. Accommodation can be arranged for recruiters visiting the campus on prior intimation.

Whether facilities for recruitment will be provided?

Yes, facilities such as conference hall, projector system, tea, snacks, breakfast, lunch, dinner as well as transportation will be provided on campus on recruitment sessions.

Can student from a different branch be selected in comparison to industry discipline.

Yes, Students are free to apply for any branch regardless of the discipline. If required, recruiters can select students from multiple branches as per their need.
