

Requirement for the post of Junior Research Fellow

Project Details:

Project No: **SRG/2021/002302**

Title: Methane recovery from natural gas hydrate reservoir using CO₂ sequestration by the injection of optimally stabilized CO₂ foam and mitigate the methane recovery issues like sediment production and subsurface subsidence

Agency: **Science and Engineering Research Board**

Duration: **12 months**

Fellowship: **Rs. 31000/- per month**

No. of Position: **01**

Qualification Requirement

Minimum Qualification: **ME/MS/MTech in Petroleum Engineering/Mechanical Engineering/Chemical Engineering/ M.Sc Chemistry**

NET/GATE: **Required**

Salient Points:

1. **The initial offer will be for a period of 12 months. Depending on fund availability from source and performance of the candidate, further extension can be given till the end of the project**
2. Hostel facility may be extended to the candidate.
3. Based on satisfactory performance, the selected **candidate may be given chance to apply for institute's Ph.D. programme**. However, the candidate needs to go through the Ph.D. Selection Procedure of Institute.

Application detail

Application Procedure: **Cover Letter, Curriculum vitae, Self-attested degree certificates have to send on below given address**

Deadline: **30th March 2022**

Application detail can be sent through email /mail. **Dr. Vishnu C Nair (Principal Investigator)**
