Jais, Amethi-229304, UP, India

Whereas NSB is an Institute that imparts education and carries out research and teaching in the field of energy management; has qualified multidisciplinary team of academicians and thus holds considerable sectorial expertise. The courses offered by the institute, enrich management learning and practice at all levels of decision making in the area of energy management. The focus on energy management consolidates to deliver knowledge centred and value added academic and research enrichment services for sustainable development of Indian economy.

AND

Whereas RGIPT's prime objective is to provide world class education, training, and research to roll out efficient human resources to meet the growing requirements of the Energy sector with special emphasis on petroleum. The aspiration is to develop India as a global manpower hub for the entire Energy Sector.

Therefore, NSB and RGIPT recognized that mutual collaboration, given each other's strengths in research and facilities thereof, will mutually benefit the students, doctoral research fellows, post-doctoral fellows and faculties of NSB and RGIPT.

Now therefore the parties hereto have agreed to enter into a Memorandum of Understanding (MoU) considering the long term benefits of sharing the knowledge between the institutes and establish a vibrant academic collaboration, by undertaking joint activities in their respective fields of teaching and research, as below (hereinafter referred to as "Activities").

It is mutually agreed by and between the parties as under.

1.0 Areas of cooperation and collaboration

Both parties mutually agreed to execute the following general forms of cooperation:

- 1.1. To seek mutual advice and support in planning and executing Doctoral/Post-Doctoral programmes for promoting excellence in research and education;
- 1.2. To encourage and promote joint research activities by the students/researcher/faculty members;
- 1.3. To hold course work of doctoral students of the Department of Management Studies RGIPT under 'sponsored' and 'part time' categories by NSB at NSB/mutually agreed location;
- 1.4. To jointly facilitate Doctoral/Post-Doctoral Programmes of the Department of Management Studies, RGIPT. The RGIPT may allow doctoral scholars to choose a co-guide from NSB, subject to final approval of the Senate, RGIPT;
- 1.5. To share the library and scientific database facilities mutually by authorising necessary access to each other;
- 1.6. To encourage the faculty members of either institute to visit the other institute for delivering expert lectures/ research seminars;

1.7. To encourage Doctoral/Post-Doctoral scholars and faculty members of either institute to attend lectures/seminars/workshops/conferences/faculty development programmes as the case may be;

1.8. To encourage the Doctoral/ /Post-Doctoral scholars of either Institute to visit the other Institute for short duration for getting necessary research input and guidance, upon recommendation of the respective research guide/head/dean/director;

1.9. To facilitate student exchange programme;

1.10. To facilitate faculty exchange programme;

1.11. To jointly organize events like workshops and conferences;

1.12. Joint offering of special short-term academic/training programmes;

2.0 Co-ordination Committee

There will be a co-ordination committee. The structure of committee would be as follows:

- 1) Director from each institute
- 2) Dean/Associate Dean from each institute
- 3) Head, Department of Management Studies (DoMS), RGIPT/NSB
- 4) Programme coordinator from each institute
- 5) Two faculty from DoMS, RGIPT and NSB nominated by the respective Directors

The co-ordination committee will be responsible for the effective implementation of the MoU. Any approval or modification in the rules for the effective implementation of this MoU shall be routed through the co-ordination committee only.

3.0 Disclosure

NSB and RGIPT shall, on their respective website and business communications, make a mention of this RESEARCH PARTNERSHIP AND COLLABORATION. However, any such referred communication needs the approval of co-ordination committee before making it public.

NSB and RGIPT may also display at a suitable place, a sign-board mentioning the collaboration;

4.0 Secrecy

It is hereby agreed that NSB and RGIPT shall keep information and data collected completely secret.
