TO WHOM IT MAY CONCERN

It is certified that there is no factor or formula for conversion of Semester Performance Index (SPI)/Trimester Performance Index (TPI)/Cumulative Performance Index (CPI) into percentage of marks at Rajiv Gandhi Institute of Petroleum Technology, Jais, Amethi, Uttar Pradesh. However, the graduating and post graduating students can use at their own discretion, the following formula for notional conversion of their SPI and CPI into percentage of marks for the purpose of employment/higher studies etc. The SPI/CPI is on a 10 point scale.

Conversion formula for percentage marks = 10 * SPI/TPI
Conversion formula for percentage marks = 10 * CPI
