Projects & Publication

Project Details	YYYY
Role of E-commerce on customer acquisition and customer retention	2023
<i>Role:</i> The project was done on a case study model by studying papers related to e-commerce's impact on customer retention and acquisitions by taking these two aspects as variables	
Movie Boycott: The project was to analyze how and what prompts people to boycott a movie. (Group Project)	2023
<i>Role:</i> We analyze the behavior of those responsible for film boycotts through parallel analysis and factor analysis using evidence from multiple regression analysis with R programming.	
<i>Conclusion:</i> This prediction is made by a linear model, user-provided data, and the likelihood of a boycott depends on user behavior.	
Dashboard: Sales Analysis Dashboard in Excel , Road Accident Analysis in Power BI .	2022
Research on "Nanomedicine In Cancer Diagnosis and Treatment"	2021
<i>Role & Responsibility:</i> prepared and performed experiments related to the project topic. Made a study based on research papers of different scientists and extracted data for the study of the topic at the deepest core.
