

# Rajiv Gandhi Institute of Petroleum Technology, Amethi

Date: 18/02/2020

**Subject:** Opening of Price Bid for Ion Chromatography System

**Reference:** Tender No. RGIPT/JAIS/E-OPN/LAB/2019-20/64

The following 3 companies submitted their tenders for the above equipment before the due date -

1. M/s. Metrohm
2. M/s. Aplab Engichem
3. M/s. Catanion Scientific

The technical bids of ion chromatography system were opened and critically examined by the departmental purchase committee of Petroleum Engineering & Geosciences. During evaluation, it was found that M/s. Catanion Scientific did not qualify the technical bid as it could not secure the threshold marks decided by the purchase committee. All the committee members are fully satisfied with the technical evaluation of specifications submitted by the other two companies (M/s. Metrohm and M/s. Aplab Engichem) in their tender documents.

Hence, the purchase committee of Petroleum Engineering & Geosciences certifies and recommends that the following companies

1. M/s. Metrohm
2. M/s. Aplab Engichem

are technically qualified for opening of price bid on 20-02-2020 at 4.00 p.m.

Dr. Satish Kumar Sinha  
Chairman, Departmental Purchase Committee  
Petroleum Engineering and Geosciences
