Contact Person (for any clarification)	Executive Engineer (Civil), e-mail: hkyadav@rgipt.ac.in , Mobile No.+91-9565993399
Pre-Bid Meeting	11/01/2022, 3:00 P.M. (Tuesday)
Opening of Tender	Part – A – Technical Bid Technical Bid will be opened on same day, i.e. 18 th January' 2022 at 04:00 P.M. in the presence of authorized representatives of the bidders at IWD Office, Ground Floor of Hostel 'E' Block, RGIPT Jais, Amethi - 229304.
	Part – B – Financial Bid Financial Bid will be open for technically qualified bidders and shall be intimated for later date by the Institute.

INSTRUCTIONS TO BIDDERS

1. Tenders on Item Rate (Unit Rate) basis are hereby invited under ‘Two Part Bid System’ i.e. Technical Bid and Financial Bid for Civil Work tender, under the heading “Insulation Works for Soundproofing in CRF Lab at RGIPT Jais Campus.” at RGIPT Jais from the reputed, experienced and financially sound Contractors of government departments/ Autonomous Bodies / National Level Institution / PSUs.

Eligibility Criteria

The tenderers should have successfully completed similar works (Construction / Repair & Renovation of Building / Other Civil structures) during last seven years ending on 31st March, 2020 (31st March 2020 is considered because of loss of 1 year due to COVID Pandemic) should be either of the following: -

- a) Three similar completed works each of costing not less than the amount equal to Rs.1,34,000/- or
- b) Two similar completed works each of costing not less than the amount equal to Rs.1,67,000/- or
- c) One similar completed work each of costing not less than the amount equal to Rs.2,67,000/-.

The tenderers are required to produce proof of fulfilling these conditions (along with **Annexure-2** duly filled in) while submitting tender.

The Technical Bid should contain all the relevant information and desired enclosures in the prescribed format along with Earnest Money Deposit (EMD). The Price Bid should contain only the price Bid. In case, any bidder encloses the price (financial) bid within technical bid, the same shall be summarily rejected.

2. The total time for carrying out the work will be 20 days. The date of commencement shall be reckoned from the 7th day of issue of award letter/work order.
3. The Earnest Money Deposit (EMD) amounting to Rs.8,500/- only (Rupees Eight Thousand Five Hundred Only) in the form of Demand Draft. The Demand Draft should be in favour of '**Rajiv Gandhi Institute of Petroleum Technology**' payable at '**Jais**'. Tender received without EMD will be invalid and rejected.
4. The bid security (EMD) shall be returned to the unsuccessful bidders after finalization of tender, without any interest.
5. Price bids of only those bidders will be opened, who will qualify in the technical bid.
6. The Institute does not bind himself to accept the lowest or any tender and reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rates as quoted.
7. Canvassing in connection with the tenders is prohibited and the tenders submitted by the contractor who resort to canvassing are liable for rejection.
8. Tender submitted shall remain valid for 180 days from the date of opening for the purpose of acceptance and award of work.
9. Before tendering, the tenderer shall inspect the sites to fully acquaint himself about the condition in regard to accessibility of site, nature and extent of ground working condition of site and locally including stacking of materials, installation of tools and plants (T & P) etc., conditions affecting accommodations and movement of labour etc. required for the satisfactory

execution of the work contract. No claim whatsoever on such account shall be entertained by the Institute in any circumstances.

10. If the contractor fails to commence the work as per Work Order then the Earnest Money will be forfeited.

11. SECURITY DEPOSIT:

11.1 The contractor shall be required to deposit an amount equal to 3% of the contract value as Security Deposit through Demand Draft in favour of “Rajiv Gandhi Institute of Petroleum Technology” payable at “Jais” within 07 days from the date of issuance of Work Order.

11.2 Security Deposit shall be released to the contractor without interest after completion of all contractual obligations of the work based on ‘Completion Certificate’ issued by the competent authority and on submission of ‘No Claim Certificate’ by the Contractor.

The Security Deposit shall be valid for a period of 60 (Sixty) days beyond the period of Defect Liability Period (DLP). If required, the EMD can be converted into security deposit after submission of written application and submission of balance amount by Demand Draft.

11.3 In case of termination of contract, the security deposit shall be forfeited.

12. The pre-bid meeting will held at IWD Office on 11/01/2022 at 3:00 pm. The minutes of the said pre-bid meeting, if any, will be uploaded on RGIPT website for proper circulation. The bidders are therefore, requested to kindly check the RGIPT website before submission of their tender document.

- 13.** To acquaint themselves with the work, all the bidders are requested to visit the site on any working day (Monday to Friday) between 11:00 Hrs. to 16:00 Hrs., from 29/12/2021 to 17.01.2022.
- 14.** RGIPT, Jais, Amethi reserve the right to accept or reject all or any bid/quotation without assigning any reason thereof.

GENERAL TERMS & CONDITIONS

1) INTERPRETATION

WORK OR WORKS:

Shall mean all work or works define in schedule of quantities, specifications and such other work or works as the contractor may be entrusted with for carrying out under this contract.

INSTITUTE:

Shall mean Rajiv Gandhi Institute of Petroleum Technology, Jais, Amethi.

ENGINEER:

Shall mean the Engineer designated by the Institute to superintend and perform other duties as indicated in the contract.

CONTRACTOR:

Shall mean the individual or firm or company, whether incorporated or not undertaking the work and shall include the legal personal representative or such individual or the persons composing such firms or company or the Successor of such firm or company and the permitted assignees of such individual or firm(s) or Company.

SITE:

Shall mean the site of contract works including any buildings and erection thereon and any other land adjoining thereto (inclusive) as aforesaid allotted by the Institute or the Engineer-in-Charge for the contractors use.

2) SUBMISSION OF TENDER:

Tenders should be submitted in sealed envelopes in two Parts separately, i.e. **“Technical Bid” (Part-A)** and **“Price Bid” (Part-B)**. Both the parts should be

further sealed in an envelope super-scribing NIT No. & Name of Work, Bidders Name & Address. The tender duly filled should be sent to either by courier /post or dropped in the tender box provided at IWD Office, Ground Floor of Hostel 'E' Block, RGIPT Jais campus, Bahadurpur, Mukhatiya More, Harbanshganj, Near Jais Railway Station, Amethi – 229304 on or before by 18th January' 2022 till 15:00 Hrs. **No tender shall be accepted later than the time schedule specified.**

3) TECHNICAL BID (PART –A):

To qualify in the Technical Bid the firm should have the minimum eligibility criteria; the firm in this regard should submit the following documents-

- a) Duly filled format of Technical Bid as per **Annexure “1” & Annexure “2”**.
- b) The bidder should be an Indian Registered Company under Companies Act 1956/ Proprietorship / Firm / Company of any of these. Copy of Certificate of Incorporation / Registration or any other relevant document, as applicable, should be submitted along with a copy of address proof Copy of constitution or legal status of the sole proprietorship / firm / company etc.
- c) Average Annual Financial Turnover during the last 3 years, ending 31st March 2020, should be at least 1,70,000/-.
(Please submit Annual Report in **Annexure – 3**, as certified by Chartered Accountant (Balance Sheet and Profit & Loss Account) for the last 3 (three) financial year's i.e. From 2017-18, 2018-19 & 2019-20).
- d) The technical bid should be accompanied by EMD for bid security.
- e) Copy of Income Tax Return Filed Acknowledgement for last 3 (three) financial year's i.e. from 2017-18, 2018-19 & 2019-20) should be enclosed.
- f) Copy of PAN Card.
- g) Copy of GSTIN registration certificate.
- h) Copy of Bank Account details along with cancelled Cheque.
- i) No conviction certificate on company's letterhead.

j) The bidder must have adequate experience for execution of works in Central / State Government Department /Semi Government department/ PSU/ Autonomous bodies having completed one, two, or three similar works in last seven years, as mentioned in Para 1 of page no. 4 of this tender. Necessary supporting documents in support of similar works like copy of work orders and completion certificate must be submitted along with the offer.

k) Entire NIT (except Price bid) duly signed & stamped by the bidder.

4) PRICE BID (Part –B):

In this bid the bidder is required to quote his item rates in the BOQ attached in accordance with the scope of work, terms & conditions & technical specifications enclosed. The rates/price quoted by contractor should be all inclusive i.e. should include all material cost, labour, services, plant/machinery/tools & tackles, ladders & scaffolding required for work, freight, Insurance, Govt. duties & levies, taxes (GST), transport/cartage of materials/labour and all other expenses not specifically mentioned but reasonably implied. Nothing over and above these rates shall be payable to contractor. Further nothing extra in rates will be considered for any variations in tender quantities or due to any site difficulties. It is mandatory for bidder to quote all items rate as asked for in the BOQ/ PRICE schedule. Failure in not filling some item rates will lead to rejection of tender. The bidders should quote unconditional rates, neatly written without any overwriting and all pages should be duly signed & stamped.

5) PRICE VARIATION:

No escalation over and above items rates quoted by the bidder shall be paid during the execution of contract.

6) COMPLETION TIME:

The total time for carrying out the work will be 20 days. The date of commencement shall be reckoned from the 7th day of issue of award letter/work order. Time is the essence of the contract.

7) EXTENSION OF TIME:

7.1 If the contractor desires for extension of time in respect of completion of work, on the grounds of his having been unavoidably hindered in its execution or any other ground, he shall apply in writing to the Executive Engineer (Civil), on account of which he desires extension, as aforesaid, and the Executive Engineer (Civil) shall, in his opinion (which shall be final) reasonable grounds shown therefore and after having the approval of competent authority, authorize such extension of time if any, which may in his opinion be necessary or proper.

8) PAYMENT TERMS & CONDITIONS:

8.1 RGIPT will not pay any mobilization advance for the work. Progressive payment, if required on justified ground, subject to approval of competent authority, will be paid during the progress of the work on the basis of the actual work done, measured and approved by RGIPT.

8.2 Full and Final payment will be paid on the basis of the actual work done, measured and approved by RGIPT upon satisfactory completion of the work.

9) DEFECT LIABILITY PERIOD:

Defect Liability Period shall be 6 months from the date of completion of all contractual obligations of the work based on 'Completion Certificate' issued by the competent authority.

10) LIQUIDATED DAMAGES:

In case of delay in completion of the work, the contractor shall pay liquidated damages an amount equal to 0.5% of the contract value per week of delay subject to a maximum of 5% of contract value.

- 11) If any extra or substituted item appears in the work, contractor shall submit its rate analysis supported with documents which shall be approved by RGIPT. If required, RGIPT can make its own analysis based on DSR document of CPWD or based on market rates for determining item rate.
- 12) The quantities mentioned in the tender are approximate. The running payment shall be made on the basis of actual work executed. Variation in the quantities, if any, shall not break the contract.
- 13) The contractor shall normally have to make his own arrangement for storage of materials and staying of labours. No request for accommodation of labours, within the campus will be entertained under any circumstances. However, at the request of contractor, a space shall be allotted for storing of materials within the campus, depending upon the availability.
- 14) Samples of all materials and other articles required for use on the work shall be got approved from Engineer-in-Charge, RGIPT before the starting of work.
- 15) All material and article brought by the contractor to the site of work for use shall conform to the samples approved. Final decision to reject any material shall rest with the RGIPT.
- 16) Makes of various materials to be used by contractor will be according to the list of approved makes given. No other makes will be used by the contractor. In case any material/ product does not available in the market, alternate product as per decision and approval of Engineer-in-Charge shall be used.

- 17) Contractor will be paid on the basis of actual measurement against each respective item. On surface of wall, electrical conduit, distribution box etc. are fixed. For this, if any opening is required in sound insulation work, it shall be made as per actual position. Rate should be inclusive of this work, nothing shall be paid extra on this account.
- 18) Contractor will arrange proper ladders and staging (for working at higher levels) at his own cost and will take all safety measures like safety belts, extra labour to hold ladders/staging etc. If it is observed that work is proceeding without adequate safety precautions, work may be stopped by Engineer-In-Charge and in such cases, contractor will be solely responsible for delay and its consequences thereof.
- 20) Detailed technical specification for insulation works for the soundproofing with respect to materials & workmanship and mode of measurements will be as per IS codes and CPWD specifications, unless mentioned otherwise.

21) LABOUR LAWS:

The contractor will abide by all the rules and regulations related to labour laws, accident, workmen compensation act, workmen insurance etc. This will be the sole responsibility of the contractor. RGIPT will not be a party at any stage in any of the disputes relating to the above. In case, RGIPT has to bear any expenditure due to non-conformance of the above provisions by the contractor, the same will be recovered from contractor's bills.

- 22) The contractor shall depute competent Engineer/Supervisor for day to day supervision, coordination, liaison and other works etc. The representative of the Contractor shall attend regular / required meetings to expedite the works and sort out difficulties, if any. The contractor shall be responsible for progress of work and

for hurdles, if any, during the progress of work which are attributable to the contractor.

- 23) Contractor will take due permission for entry of all his workmen in RGIPT. No unauthorized person will be allowed to work inside.
- 24) The contractor will provide for all necessary materials, tools, equipment, access ladders & scaffolding, measuring instruments and working consumables etc. needed for execution of the works. Safe custody of all such material will be contractor's sole responsibility. No extra charges will be paid for the same. Watch and Ward of all material till the system is taken over by RGIPT shall be the sole responsibility of the contractor and pilferage etc. shall be entirely to his account.
- 25) During execution of work, the contractor should follow all standard norms of safety measures/precautions as per relevant IS codes and CPWD specifications to avoid accidents/damages to man, machines and buildings, at his own cost. Contractor will have his own arrangement to escort the labour to the nearest hospital for treatment in case any injury happens to any worker during execution of work.
- 26) No material belonging to the contractor whether consumable or non-consumable should be brought inside the RGIPT campus, without proper entry at the Main Gate nor any material should be taken out without proper gate pass issued by the authorized representatives of the RGIPT.
- 27) During execution of the work, contractor should dispose off waste material on regular basis and should keep the area of work, properly cordoned off and neat & clean as far as possible. After completion of work, contractor should clear the site completely of all unwanted and junk material before submitting his final bill.

28) RGIPT will provide free water and electricity during execution of work at one point. The contractor has to make his own arrangements for supplying power and water from that point onwards as per his requirements.

29) FORCE MAJEURE:

Conditions beyond control of either parties like war, hostility, acts of public enemy, civil commotion, sabotage, serious loss or damage by fire, explosions, epidemics, strikes, lockouts or acts of God come under the legal concept of Force Majeure (FM). Delays in performance of contractual obligations under influence of FM conditions are condonable by the other party without any right to termination or damages, provided, notice of the happening of any such event is given by the affected party to the other within 7 (Seven) days from the date of occurrence. Works under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist. However, if such event continues for a period exceeding 120 days, either party may at its option terminate the contract by giving notice to the other party.

SCOPE OF WORK

The scope of work for insulation works for soundproofing in CRF lab:

This lab is enclosed by 230mm thick brickwall with 2 nos. of flush door shutter. All 4 walls shall be insulated from inner side with the help of Calcium Silicate Board Panels up to ceiling height which shall be fixed on the surface of wall with the help of G.I. frame. Resin Bonded Rock Wool material will be sandwich between the Brickwall and Calcium Silicate Board Panels.

In ceiling, Calcium Silicate Board tiles shall be suspended on interlocking metal grid galvanized steel section in true horizontal level with Resin Bonded Rock Wool material backing. The said work should be completed in all respect with uniform application of paint, of approved shade, for proper grace.

LIST OF APPROVED MAKES

1. Dry wall Partition (Calcium Silicate) : Hilux (Ramco Industries Ltd.), Promat

2. False Ceiling (Calcium Silicate) : Hilux (Ramco Industries Ltd.), Promat

3. Rockwool : Polybond, Twiga, Minwool Rock Fibres

4. Cement Based Wall Putty : Asian Paints, Birla Wall Care, JK White & Berger

5. Paint : ICI Dulux / Asian / Berger / Nerolac

TECHNICAL BID FORMAT

1	Name of the firm/ Society/ Company/ Proprietary Concern (Attach self-attested copy of the certificate)	
2	Address of registered office	
3	Telephone Nos./ Mobile Nos. /E-mail
