OFFICE NOTE

To,

The Chairman, Senate, RGIPT

Sub.: Approval for courses offered to PhD students in various departments.

Dear Sir,

We seek your kind approval to allow the following courses towards calculation of credits for the PhD students those were admitted in Odd semester, 2019-20 academic year. The following courses are offered in odd semester, 2019-20 academic year by various departments to PhD students. These courses have not been approved by the Academic Senate for offering to the PhD students. However, the individual DPGC recently evaluated the suitability of these courses for the PhD students and observed that the syllabus of the enlisted courses is similar to that of the courses already offered to PhD students in various IITs and IISERs.

List of Courses

Name of the Course	Code
Department of Chemical Engineering & Engineering Sciences	
Basic Geo-informatics Engineering	PE511.N
Power Electronics for Renewable Energy System	CH552.N
Fuzzy Logic & Neural Network based Control Design & Simulation	CH542.N
Transport Phenomena	CH521.N
Department of Sciences & Humanities	
Photochemical Processes of Molecules & Solids	CY532.N
Fundamentals of Analytical Techniques	CY731.N
Computational Fluid Dynamics	MA525.N
Computer Programming & Simulation	MA524.N
Numerical Solution of Ordinary Differential Equations	MA523.N

Advanced Heat Transfer	RE521.N
Health, Safety & Environment in Industries	CY541.N
Department of Petroleum Engineering & Geosciences	
Formation Evaluation	PE522.N
Petroleum Exploration & Prospecting	PE527.N

Therefore, you are requested to kindly approve the above courses towards the calculation of the credits for PhD students for the odd semester only, as a special case. However, the above provision will be considered as a special case and will not be consider as a precedence while assigning the courses to PG students in subsequent semesters.
