

# RAJIV GANDHI INSTITUTE OF PETROLEUM TECHNOLOGY

(An Institution of National Importance)

## Students Achievement

### Congratulations!

**Mr. Mohammad Yasar**, 3<sup>rd</sup> Year, B.Tech Chemical Engineering  
on winning the **Best Idea Innovation Award** at the **Istanbul Youth Summit 2026**, held in Istanbul, Türkiye (9–12 Feb 2026)

Competing with 70+ participants from 11 countries, Yasar stood out with his impactful idea on **biomass valorization—turning agricultural waste into carbon-neutral products** using low-cost, decentralized solutions to support farmers.

He was the **only fully funded participant**, proudly representing RGPT & India on the global stage.
