

## Corrigendum-2

Reference Tender No. RGIPT/JAIS/Project/2022-23/02

Date: 08.06.2022

### Reason for Re-tendering:

Re-tendering is necessary to procure lyophilizer equipment for fulfilling the purpose. In an earlier tendering process for the same, the less number of the bid was received i.e. one, even after giving the extension in date. Few modifications have been made in technical specifications to invite more bidders. Therefore, re-tendering for the procurement of lyophilizer is being done.

Dr. U. Ojha
