ADDRESS OF THE INSTITUTE:

RAJIV GANDHI INSTITUTE OF PETROLEUM TECHNOLOGY, Mubarakpur, Mukhtia More, Bahadurpur, Post: Harbanshganj, Jais, Amethi, Uttar Pradesh 229304, Website:www.rgipt.ac.in

INTRODUCTION

Rajiv Gandhi Institute of Petroleum Technology (RGIPT), Jais, Amethi, Uttar Pradesh has been established through an Act of the Parliament by the Ministry of Petroleum and Natural Gas (MoPNG), Government of India in 2008.

The Institute has been accorded the eminence of being an Institution of National Importance on the lines of the IITs. The Institute is associating with leading International Universities/ Institutions specializing in Petroleum Technology and Energy.

The prime objective of the Institute is to provide education, training, and research to roll out efficient human resources, and to meet the growing requirements of the Petroleum and Energy sector.

The main campus of the Institute is located at Jais, Amethi, Uttar Pradesh and B. Tech., M. Tech., MBA and Ph.D. programmes from there. The Institute has set two centres, namely- Assam Energy Institute (AEI), Sivasagar and Energy Institute, Bengaluru (EIB) to offer Diploma and M. Tech. programmes respectively.

INSTRUCTIONS FOR ONLINE BID SUBMISSION (GUIDELINE FOR BIDDER):

The bidders are required to submit soft copies of their bids electronically on the CPP Portal using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <http://eprocure.gov.in/eprocure/app>.

1. Registration

- (a) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <http://eprocure.gov.in/eprocure/app> by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- (b) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- (c) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- (d) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sift/ nCode / eMudhra etc.), with their profile.
- (e) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- (f) Bidder then logs in to the site through the secured log-in by entering their userID/Password and the password of the DSC/ e-Token.

2. Searching for Tender Documents

- (a) There is various search option built in the CPP Portal, to facilities bidders to search active tenders by several parameters. These parameters could include TenderID, Organization Name, location, Date Value, etc. there is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- (b) Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'my Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS/e-mail in case there is any corrigendum issued to the tender document.
- (c) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

3. Preparation of Bids

- (a) Bidder should consider any corrigendum published on the tender document before submitted their bids.
- (b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents must be submitted, the number of documents-including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- (c) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule any generally, they can be in PDF/XLS/RAR/DWF/JPG formats. Bid document may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- (d) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificate etc.) has been provided to the bidders. Bidders can use "My space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My space" area while submitting a bid, and need not be upload again and again. This will lead to a reduction in the time required for bid submission process.

4. Submission of Bids

- (a) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- (b) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

- (c) Bidders are required to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be download and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- (d) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders; opening of bids etc. the bidders should follow this time during bid submission.
- (e) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- (f) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- (g) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- (h) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid, this acknowledgement may be used as an entry pass for any bid opening meetings.

5. Assistance to Bidders

- (a) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- (b) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24X7 CPP Portal Helpdesk.

LIST OF DOCUMENTS TO BE UPLOADED

1. Bidder should take into account notifications, corrigendum published, if any on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Any deviations from these may lead to rejection of the bid.
3. **The two-bid system (Technical Bid & Financial Bid) will be followed for this tender. "Online Bid" shall contain (Pdf format only)**

11. RGIPT, Jais, Amethi reserve the right to accept or reject all or any bid/quotation without assigning any reason thereof.

GENERAL TERMS & CONDITIONS

1) INTERPRETATION

WORK OR WORKS:

Shall mean all work or works define in schedule of quantities, specifications and such other work or works as the contractor may be entrusted with for carrying out under this contract.

INSTITUTE:

Shall mean Rajiv Gandhi Institute of Petroleum Technology, Jais, Amethi.

ENGINEER:

Shall mean the Engineer designated by the Institute to superintend and perform other duties as indicated in the contract.

CONTRACTOR:

Shall mean the individual or firm or company, whether incorporated or not undertaking the work and shall include the legal personal representative or such individual or the persons composing such firms or company or the Successor of such firm or company and the permitted assignees of such individual or firm(s) or Company.

SITE:

Shall mean the Rajiv Gandhi Institute of Petroleum Technology, Jais, Amethi.

CPWD:

Shall mean Central Public Works Department, New Delhi.

ITF:

Shall mean International Tennis Federation, London, England.

2) Eligibility Criteria:

To qualify in the Technical Bid, the firm should have the minimum eligibility criteria; the firm in this regard should submit the following documents-

- a) The bidder should be an Indian Registered Company under Companies Act 1956/ Proprietorship / Firm / Company of any of these. Copy of Certificate of Incorporation / Registration or any other relevant document, as applicable, should be submitted along with a copy of address proof Copy of constitution or legal status of the sole proprietorship / firm / company etc.
- b) Average Annual Financial Turnover during the last 3 years, ending 31st March 2024, should be at least Rs.6,00,000/- (Rupees Six Lakh Only). (Please submit Annual Report in **Annexure – 1**, as certified by Chartered Accountant (Balance Sheet and Profit & Loss Account) for the last 3 (three) financial year's i.e. From 2021-22, 2022-23 & 2023-24).
- c) The tenderers should have successfully completed similar works (Construction /

Repair & Renovation of Building / Other Civil structures) during last 7 (Seven) years ending on 30th November 2024 should be either of the following: -

- i) Three similar completed works each of costing not less than the amount equal to Rs. 7,70,000/- (Rupees Seven Lakh Seventy Thousand only); or
 - ii) Two similar completed works each of costing not less than the amount equal to Rs. 9,62,500/- (Rupees Nine Lakh Sixty-Two Thousand Five Hundred only); or
 - iii) One similar completed work costing not less than the amount equal to Rs. 15,40,000/- (Rupees Fifteen Lakh Forty Thousand only).
- d) The bid should be accompanied by EMD for bid security of the amount.
 - e) Duly filed **Annexure – 3** (No Conviction Certificate).
 - f) Copy of Income Tax Return Filed Acknowledgement for last 3 (three) financial year's i.e., from 2020-21, 2022-23 & 2023-24) should be enclosed.
 - g) Copy of PAN Card.
 - h) Copy of GSTIN registration certificate.
 - i) Copy of Bank Account details
 - j) **Entire NIT duly signed & stamped by the bidder.**
- 3) Bidder is required to quote his item rates in the BOQ as attached in the tender document (Financial Bid). The rates/price quoted by contractor should be inclusive of all material cost, labour, plant/machinery/tools & tackles, ladders & scaffolding required for work, **Goods and Services Tax (GST)**, freight, Insurance, Govt. duties & levies, transport/cartage of materials/labour and all other expenses not specifically mentioned but reasonably implied. No extra charges will be paid to the contractor over and above these rates. It is mandatory for bidder to quote all items rate as asked for in the BOQ/ PRICE schedule.

If bidder fails to fill any of the cell in BOQ item, then overall L1 will be decided on the existing parameter and submitted rates. No extra payment will be paid because of non-fulfilment of rate for any of the BOQ item. Further the L1 bidder is bound to perform his obligations for all the BOQ items as mentioned in the BOQ against his L1 price.

4) SECURITY DEPOSIT:

4.1 The contractor shall be required to deposit an amount equal to 5% of the contract value as security deposit through Bank Guarantee /FDR in favour of “Rajiv Gandhi Institute of Petroleum Technology” payable at “Jais” within 7 days from the date of issuance of Work Order, as per **Annexure 4**.

4.2 Security deposit shall be released to the contractor without interest after completion

of all warranty periods, which is for a period of 3 years (please check point no 5 in page no 13 for warranty period).

4.3 In case of termination of contract, because of any reasons, the security deposit shall be forfeited.

5) WARRANTY PERIOD OF SYNTHETIC COURT:

The warranty period of construction of 3 nos. new synthetic court shall be of 3 years and for old court (relaying/resurfacing work) shall be 1 year from the date of completion of all contractual obligations. Warranty certificates must be submitted by the contractor after the completion of work.

After having been notified of the defect's requirements during warranty period, the contractor has to complete the required rectification within 15 days' of time limit. If the contractor fails to rectification work within the defined time limit, then the work will be carried out by RGIPT, by some other agency/contractor, at the risk and cost of the contractor. Either the contractor has to settle the expenditure for rectification on its own or the amount will be deducted from his security deposit, on actual basis. Under such condition, the decision of the Engineer-in-Charge will be full and final and will be a legal binding on the contractor.

6) PRICE VARIATION:

No escalation over and above items rates quoted by the bidder shall be paid during the execution of contract.

7) COMPLETION TIME:

The total time for carrying out the work will be 60 days. The date of commencement shall be reckoned from the date of acceptance of award letter/work order. Time is the essence of the contract.

8) EXTENSION OF TIME:

If the contractor desires for extension of time in respect of completion of work, on the grounds of his having been unavoidably hindered in its execution or any other ground, he shall apply in writing to the Executive Engineer (Civil), on account of which he desires extension, as aforesaid, and the Executive Engineer (Civil) shall, in his opinion (which shall be final) after verifying the facts shown therefore, will take appropriate decision, which may in his opinion be necessary or proper.

9) PAYMENT TERMS & CONDITIONS:

9.1 RGIPT will not pay any mobilization advance for the work.

9.2 The full and final payment will be paid after the completion of contractual obligations to the satisfaction of the Engineer In Charge, complete in all respect. The measurement for actual work done will be duly recorded, measured and approved by RGIPT before the final payment.

- 10) LIQUIDATED DAMAGES:** In case of a delay in completion of the work, the contractor shall pay liquidated damages an amount equal to 0.5% of the contract value per week of delay, subject to a maximum of 10% of contract value.
- 11) If any extra or substituted item appears in the work, the contractor shall submit its rate analysis supported with documents which shall be approved by RGIPT. If required, RGIPT can make its own analysis based on CPWD DSR (Delhi Schedule of Rates) document of CPWD or based on market rates for determining item rate.
- 12) The quantities mentioned in the tender are approximate. The payment shall be made on the basis of actual work executed. Variation in the quantities, if any, shall not vitiate the contract.
- 13) The contractor shall normally have to make his own arrangement for storage of materials and staying of labours. No request for accommodation of labours within the campus will be entertained under any circumstances. However, at the request of contractor, a room shall be allotted for storing of materials, within the campus, depending upon the availability.
- 14) Samples of all materials and other articles required for use on the work shall be got approved from Engineer-in-Charge, RGIPT before the starting of work.**
- 15) All material and article brought by the contractor to the site of work for use shall conform to the samples approved. Final decision to reject any material shall rest with the RGIPT.
- 16) Makes of various materials to be used by contractor will be according to the list of preferred makes given. No other makes will be used by the contractor. In case any material/ product does not available in the market, alternate product as per decision and approval of Engineer-in-Charge shall be used.
- 17) Contractor will arrange proper ladders and staging (for working at higher levels) at his own cost and will take all safety measures like safety belts, extra labour to hold ladders/staging etc. If it is observed that work is proceeding without adequate safety precautions, work may be stopped by Engineer-In-Charge and in such cases, contractor will be solely responsible for delay and its consequences thereof.
- 18) Detailed technical specification for miscellaneous civil work at RGIPT campus with respect to materials & workmanship and mode of measurements will be as per IS (Indian Standard) codes and CPWD (Central Public Works Department) specifications, unless mentioned otherwise.
- 19) The contractor shall arrange Ready Mix Concrete (RMC) from the approved RMC producing plants. The design mix of concrete with and without using plasticizers shall be provided by RGIPT for RMC. **The approval of RMC must be taken by the contractor from the RGIPT before the start of concerting work.**
- 20) The main contractor has to associate the OEM/specialized agency for construction of 3 nos. Synthetic Badminton court over RCC surface and**

resurfacing/relaying of already made 3 nos. of synthetic court. The OEM/specialized agency will produce experience certificate of such type court making work from the client in last three financial years before the start of work. All the synthetic court work will be done as per drawings, CPWD specifications, and BOQ.

21) LABOUR LAWS:

The contractor will abide by all the rules and regulations related to labour laws, accident, workmen compensation act, workmen insurance etc. This will be the sole responsibility of the contractor. RGIPT will not be a party at any stage in any of the disputes relating to the above. In case, RGIPT has to bear any expenditure due to non-conformance of the above provisions by the contractor, the same will be recovered from contractor's bills.

- 22) The contractor shall depute competent Engineer / Supervisor for day-to-day supervision, coordination, liaison and other works etc. The representative of the Contractor shall attend regular / required meetings to expedite the works and sort out difficulties, if any. The contractor is responsible for progress of works and for hurdles, if any, in the progress of works, attributable to the contractor.
- 23) Contractor will take due permission for entry of all his workmen in RGIPT. No unauthorized person will be allowed to work inside.
- 24) The contractor will provide for all necessary materials, tools, equipment, access ladders & scaffolding, measuring instruments and working consumables etc. needed for execution of the works. Safe custody of all such material will be contractor's sole responsibility. No extra charges will be paid for the same. Watch and Ward of all material till the system is taken over by RGIPT shall be the sole responsibility of the contractor and pilferage etc. shall be entirely to his account.
- 25) During execution of work, the contractor should follow all standard norms of safety measures/precautions as per relevant IS codes and CPWD specifications to avoid accidents/damages to man, machines, and buildings, at his own cost. Contractor will have his own arrangement to escort the labour to the nearest hospital for treatment in case any injury happens to any worker during execution of work.
- 26) No material belonging to the contractor whether consumable or non-consumable should be brought inside the RGIPT campus without proper entry at the Main Gate nor any material should be taken out without proper gate pass issued by the authorized representatives of the RGIPT.
- 27) During execution of the work, contractor should dispose off waste material on regular basis and should keep the area of work properly cordoned off and neat and clean as far as possible. After completion of work, contractor should clear the site completely of all unwanted and junk material before submitting his final bill.
- 28) RGIPT will provide free water and electricity during execution of work at one point. The contractor has to make his own arrangements for supplying power and water from

that point onwards as per his requirements. In case, if the same is not possible because of the some operational reasons, the contractor has to make his own arrangement for electricity and water.

29) FORCE MAJEURE:

Conditions beyond control of either parties like war, hostility, acts of public enemy, civil commotion, sabotage, serious loss or damage by fire, explosions, epidemics, strikes, lockouts or acts of God come under the legal concept of Force Majeure (FM). Delays in performance of contractual obligations under influence of FM conditions are condonable by the other party without any right to termination or damages, provided, notice of the happening of any such event is given by the affected party to the other within 7 (seven) days from the date of occurrence. Works under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist. However, if such event continues for a period exceeding 90 days, either party may at its option terminate the contract by giving notice to the other party.

30) ARBITRATION:

All disputes or differences whatsoever arising among the parties under and/or in connection with and/or in respect of this tender shall be referred to and decided by a sole arbitrator, who shall be appointed by the Competent Authority, RGIPT. The arbitration shall be conducted in accordance with Arbitration and Conciliation Act of 1996, along with its relevant amendments and the venue of the arbitration shall be in RGIPT, Jais, Amethi. The proceedings of arbitration shall be in English language.

SCOPE OF WORK

Scope of work will consist of following:

1. Construction of 3 nos. ITF certified Synthetic Court Flooring work as per drawings & BOQ.
2. Construction of 1 no. Cemented Cricket Pitch as per drawings & BOQ.
3. Resurfacing of 3 nos. Synthetic Court Flooring work as per drawings & BOQ.
4. Colour pattern of all courts shall be decided by RGIPT.
5. All the works will be carried out by drawings, CPWD specifications & BOQ.

(Guarantee offered by Bank to RGIPT in connection with the execution of contracts) Form of Bank Guarantee for Security Deposit

1. Whereas the Executive Engineer, RGIPT has entered into an agreement bearing work order number..... with M/s.....(name and address of the contractor) (hereinafter called “the Contractor”) for execution of ‘Construction & Resurfacing of Synthetic Courts’ at RGIPT Jais Campus. The RGIPT has further agreed to accept an irrevocable Bank Guarantee for Rs. (Rupees only) valid up to (date)..... as Security Deposit Advance from the said Contractor for compliance of his obligations in accordance with the terms and conditions of the agreement.

2. We, (indicate the name of the bank) (herein after referred to as “the Bank”), hereby undertake to pay to the RGIPT an amount not exceeding Rs. (Rupees..... only) on demand by the Rajiv Gandhi Institute of Petroleum Technology (RGIPT) within 10 days of the demand.

3. We,(indicate the name of the Bank), do here by undertake to pay the amount due and payable under this guarantee without any demur, merely on a demand from the RGIPT stating that the amount claimed is required to meet the recoveries due or likely to be due from the said Contractor. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.(Rupeesonly)

4. We, (indicate the name of the Bank), further undertake to pay the RGIPT any money so demanded notwithstanding any dispute or disputes raised by the contractor in any suit or proceeding pending before any Court or Tribunal, our liability under this Bank Guarantee being absolute and unequivocal. The payment so made by us under this Bank Guarantee shall be a valid discharge of our liability for payment there under and the Contractor shall have no claim against us for making such payment.

5. We, (indicate the name of the Bank), further agree that the RGIPT shall have the fullest liberty without our consent and without affecting in any manner our obligation here under to vary any of the terms and conditions of the said agreement or to extend time of performance by the said Contractor from time to time or to postpone for any time or from time to time any of the powers exercisable by the RGIPT against the said contractor and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such

variation or extension being granted to the said Contractor or for any forbearance, act of omission on the part of the RGIPT or any indulgence by the RGIPT to the said Contractor or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.

6. We, (indicate the name of the Bank), further agree that the RGIPT at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor at the first instance without proceeding against the Contractor and notwithstanding any security or other guarantee the RGIPT may have in relation to the Contractor's liabilities.

7. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.

8. We, (indicate the name of the Bank), undertake not to revoke this guarantee except with the consent of the RGIPT in the writing.

9. This Bank Guarantee shall be valid up to unless extended on demand by the RGIPT. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs. (Rupees only) and unless a claim in writing is lodged with us within the date of expiry or extended date of expiry of this guarantee, all our liabilities under this guarantee shall stand discharged.

PART – B : FINANCIAL BID

**Bill of Quantity (BOQ) Format for Financial Bid
(To be duly filled by bidder online)**

Construction & Resurfacing of Synthetic Courts at RGIPT Jais Campus.

S. No.	Description	Unit	Quantity	Rate with GST (Rs.)	Total Amount with GST (Rs.)
1	Earth work in excavation by mechanical means (Hydraulic excavator) / manual means in foundation trenches or drains (not exceeding 1.5 m in width or 10 sqm on plan), including dressing of sides and ramming of bottoms, for all lift , including getting out the excavated soil and disposal of surplus excavated soil as directed, within a lead of 50 m.	Cum	20.52	-----	-----
2	Filling available excavated earth (excluding rock) in trenches, plinth, sides of foundations etc. in layers not exceeding 20cm in depth,consolidating each deposited layer by ramming and watering, lead upto 50 m and lift upto 1.5 m.	Cum	52.19	-----	-----
3	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level : 1:5:10 (1 cement : 5 coarse sand (zone-III) derived from natural sources : 10 graded stone aggregate 40 mm nominal size derived from natural sources)	Cum	38.28	-----	-----
4	Centering and shuttering including strutting, propping etc. and removal of form for Foundations, footings, bases of columns, etc. for mass concrete	Sqm	22.06	-----	-----
5	"Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete upto plinth level. Thermo-Mechanically Treated bars of grade Fe-500D or more."	Kg	1725.77	-----	-----
6	Add for using extra cement in the items of design mix over and above the specified cement content therein.	Quintal	19.00	-----	-----
7	"Brick work with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in foundation and plinth in: Cement mortar 1:4 (1 cement : 4 coarse sand)"	Cum	20.15	-----	-----
8	"12 mm cement plaster of mix : 1:6 (1 cement: 6 coarse sand)"	Sqm	26.45	-----	-----
9	"Providing and filling in position rubberized bitumen hot sealing compound for sealing of expansion joints in roads / pavements all complete as per direction of the Engineer-in-Charge. Using grade 'A' sealing compound conforming to IS: 1834."	Per cm depth per cm width per meter length	795.20	-----	-----

S. No.	Description	Unit	Quantity	Rate with GST (Rs.)	Total Amount with GST (Rs.)
10	Providing and laying C.C. pavement of mix M-25 with ready mixed concrete from batching plant. The ready mixed concrete shall be laid and finished with screed board vibrator , vacuum dewatering process and finally finished by floating, brooming with wire brush etc. complete as per specifications and directions of Engineer-in-charge. (The panel shuttering work shall be paid for separately). (Note:- Cement content considered in this item is @ 330 kg/cum. Excess/less cement used as per design mix is payable/ recoverable separately).	Cum	55.67	-----	-----
11	"Construction of granular sub-base by providing close graded Material conforming to specifications, mixing in a mechanical mix plant at OMC, carriage of mixed material by tippers to work site, for all leads & lifts, spreading in uniform layers of specified thickness with motor grader on prepared surface and compacting with vibratory power roller to achieve the desired density, complete as per specifications and directions of Engineer-in-Charge. With material conforming to Grade-III (size range 26.5 mm to 0.075 mm) having CBR Value-20"	Cum	55.67	-----	-----
12	"Groove cutting in C.C. pavement for expansion joints using heavy duty cutting machine with diamond cutting wheel as per direction of engineer -in-charge. Groove Size: 1 cm width & 5 cm depth "	Mtr	159.04	-----	-----
13	Providing and Laying of ITF certified synthetic coat flooring with first layer of concrete primer second layer of acrylic resurfacer with sand and cement , third to seventh layer of cushion coat and after that two coats of acrylic colour and above that line marking etc for the sports court, including all consumables as per manufacturers specifications and direction of engineer -in-charge.	Sqm	328.71	-----	-----
14	Providing and Laying of ITF certified synthetic coat flooring with two coats of acrylic colour and above that line marking etc for the sports court, including all consumables as per manufacturers specifications and direction of engineer -in-charge.	Sqm	1332.12	-----	-----
	Total Amount with GST			-----	-----
