

Advertisement for the post of Project Associates

Applications are invited from enthusiastic candidates to work on an NTPC-NETRA sponsored project as Project Associates in the areas of catalyst development and fabrication of electrolyser system for hydrogen production.

Project No: P-2401

Title: Technical upgradation of electrode and membraneless electrolyzer for sea water electrolysis

Agency: NTPC-NETRA

Project Duration: Up to Feb 2027

Fellowship: Rs.35000/- Month + HRA

No. of Position: 02

Eligibility:

- B.Tech and M.Tech degrees from recognized Institute/University in Chemical Engineering/Mechanical Engineering/Material Science and Engineering,
or
B.Sc and M.Sc. Chemistry with minimum 60% marks
- GATE score holder
- The upper age limit is 35 years on 31st March 2026. Age and percentage relaxation as per norms of GoI.
- Eligibility criteria will also be relaxed for an experienced candidate working on catalyst and electrode preparation for hydrogen production and fabrication of electrochemical systems.

Salient Points:

- i. Initial offer will be for a period of 5 months. It will be extended based on the performance. If extended, offer will be co-terminus with the project.
- ii. In campus residence facility in hostel will be provided. In case of unavailability of hostel rooms, applicable HRA will be provided.

Documents Required (in PDF):

- Biodata or CV
- Age Proof Certificate (10th Class certificate).
- Qualification Certificate.
- Category Certificate (in case of Age Relaxation).

Interested candidates are encouraged to submit application along with the above documents to mkumar@rgipt.ac.in by 13th September 2026, 6 PM. The Subject of the application shall be "*Application for Project Associate*".
