INTRODUCTION

Rajiv Gandhi Institute of Petroleum Technology (RGIPT), Jais, Amethi, Uttar Pradesh has been established through an Act of the Parliament by the Ministry of Petroleum and Natural Gas (MoPNG), Government of India in 2008.

The Institute has been accorded the eminence of being an Institution of National Importance on the lines of the IITs. The Institute is associating with leading International Universities/ Institutions specializing in Petroleum Technology and Energy.

The prime objective of the Institute is to provide education, training, and research to roll out efficient humanresources, and to meet the growing requirements of the Petroleum and Energy sector.

The main campus of the Institute is located at Jais, Amethi, Uttar Pradesh and B. Tech., M. Tech., MBA and Ph.D. programmes from there. The Institute has set up two centres, namely- Assam Energy Institute (AEI), Sivasagar and Energy Institute, Bengaluru (EIB) to offer Diploma and M. Tech. programmes respectively.

INSTRUCTIONS FOR ONLINE BID SUBMISSION (GUIDELINE FOR BIDDER):

The bidders are required to submit soft copies of their bids electronically on the CPP Portal using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: http://eprocure.gov.in/eprocure/app.

1. Registration

(a) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: http://eprocure.gov.in/eprocure/app by clicking on the link "Online bidder Enrollment "on the CPP Portal which is free of charge.

(b) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

(c) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication fromthe CPP Portal.

(d) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sift/ nCode / eMudhra etc.),with their profile.

(e) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.

(f) Bidder then logs in to the site through the secured log-in by entering their user ID/Password and the password of the DSC/ e-Token.

2. Searching for Tender Documents

(a) There is various search options built in the CPP Portal, to facilities bidders to search active tenders by several parameters. These parameters could include TenderID, Organization Name, location, Date Value, etc. there is also an option of advanced Search for tenders, wherein the bidders may combine a number of search parameterssuch as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.

(b) Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'my Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS/e-mail in case there is any corrigendum issued to the tender document.

(c) The bidder should make a note of the unique Tender ID assigned to each tender; in case they want to obtain any clarification/help from the Helpdesk.

3. Preparation of Bids

(a) Bidder should consider any corrigendum published on the tender document before submitted their bids.

(b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents must be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

(c) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule any generally, they can be in PDF/XLS/RAR/DWF/JPG formats. Bid document may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

(d) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificate etc.) has been provided to the bidders. Bidders can use "My space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My space" area while submitting a bid, and need not be upload again and again. This will lead to a reduction in the time required for bid submission process.

4. Submission of Bids

(a) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

(b) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

(c) Bidders are required to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a

standard BOQ format with the tender document, then the same is to be download and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

(d) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders; opening of bids etc. the bidders should follow this time during bid submission.

(e) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

(f) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

(g) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

(h) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid, this acknowledgement may be used as an entry pass for any bid opening meetings.

General Procedure of Bid Submission

Sealed Tender (Two Bid system) are invited for licensing of shop no. 02 in the Food Court, R.G.I.P.T. Jais Campus, Amethi. The proposals shall reach latest by 30.11.2026 at 1600 HRS PM and will be opened at 1700 HRS on 01.12.2026 in the presence of the proposers or their authorized representatives who may like to be present. The standard bid validity shall be 120 days from the bid opening date unless otherwise specified.

A. The bid shall be complete, legible and signed by the bidder/authorized signatory. Any correction/overwriting shall be duly authenticated. The Institute may seek clarification of an apparent clerical/arithmetical error in accordance with the tender conditions, but no bidder shall be permitted to alter the substance of its financial bid after the bid deadline.

B. Before participating in the tendering process each intending bidder shall affix signature with date on the copy of the condition for license of shop and the SOP, as a token of acceptance of the condition of Rent of Shop contained herein after and shall furnish full name & address of the individual, company, firm on whose behalf the participant is interested to bid. The name of persons, company and full postal address should be furnished. All correspondence made by the Bidder to this furnished address shall be considered as correctly delivered not withstanding any change in postal address, shall have to be intimated to the Head Warden, Rajiv Gandhi Institute of Petroleum Technology, Bahadurpur, P.O. Harbansganj, Jais, Amethi- 229304.

C. The EMD shall be submitted in favour of "Rajiv Gandhi Institute of Petroleum Technology" in the form specified in the tender and payable at the designated bank/place. The competent authority/Shop Allotment Committee may verify the authenticity of the EMD and other documents before evaluation.

1. Bids shall remain binding during the stated bid validity period. A bidder shall not withdraw or modify its bid during that period. In case of withdrawal, refusal to execute the agreement, failure to pay the required Security Deposit/advance License Fee, or failure to commence the business within the stipulated period after allotment, the EMD may be forfeited, after giving the bidder an opportunity to explain, subject to the tender conditions and applicable law. Any dispute shall be dealt with under the dispute-resolution clause of the executed agreement.

2. Shop shall be allotted to the highest evaluated responsive bidder (H-1) for the concerned shop, subject to verification of eligibility, statutory compliance, conflict-of-interest requirements and approval by the competent authority. The Institute may reject a bid that is materially non-responsive even if it is the highest financial offer.

3. A bidder may bid for more than one shop, but ordinarily only one shop shall be allotted to the same bidder and its connected/controlled entities or beneficial owners. The bidder shall disclose any common ownership, partnership, directorship or other relationship with another bidder. The Institute may prescribe a different allocation rule in the NIT if operationally justified.

4. The License Fee payable shall be the accepted bid amount for the relevant shop. Any

escalation during renewal/extension shall be only as expressly provided in Annexure-I or the License Agreement and shall not be imposed retrospectively.

5. All taxes, statutory levies, duties, cess and service charges shall be dealt with strictly in accordance with the law in force from time to time. GST, if applicable, shall be payable/borne in the manner prescribed under the GST law, including any applicable reverse-charge mechanism. Electricity, water, maintenance and other specifically stated charges shall be payable in addition to License Fee. The allottee shall be responsible for taxes arising from its own business, employees and sales.

6. The Security Deposit shall ordinarily equal three months of the accepted monthly License Fee. It shall be interest-free and held as security for performance. Subject to adjustment of lawful dues/damages, the balance shall be refunded within 60 days after expiry/termination and peaceful handover of the shop, completion of final meter readings and settlement of accounts. The successful bidder's EMD shall be adjusted against the Security Deposit.

7. Before occupation, the successful bidder shall: (i) deposit the Security Deposit equal to three months of the accepted monthly License Fee; (ii) pay three months' License Fee in advance; (iii) complete statutory registrations/approvals applicable to the trade; (iv) execute the License Agreement in the Institute's prescribed form; and (v) sign the joint inventory/condition report. Stamp duty, registration charges, notarization charges and other execution expenses, if applicable, shall be borne by the allottee. The License Agreement shall prevail over inconsistent administrative wording in the NIT, subject to applicable law.

Elaboration of Working Conditions:

TECHNICAL / FIRE / FOOD-SAFETY REQUIREMENTS: Before commencement, the allottee shall obtain written clearance from the Institute's authorized Works/Estate/Safety function for all equipment, electrical load, exhaust/ventilation, drainage, LPG/equipment (if permitted), refrigeration, cooking appliances, signage and other installations. Food outlets shall maintain potable water, washable food-contact surfaces, hygienic storage, temperature control, pest control, hand-washing facilities, covered waste bins and appropriate cleaning arrangements. No LPG cylinder, open flame, high-load appliance or exhaust system shall be installed without prior written technical approval and statutory compliance.

1. No structural, civil, plumbing, drainage, exhaust, electrical, fire-safety, signage or other alteration shall be made without prior written approval of the Institute and, where applicable, the competent statutory authority. All installations shall comply with the approved load, fire-safety design, building requirements and technical specifications. Unauthorized alterations may be removed at the allottee's cost and may constitute a material breach.
2. The allottee shall obtain and maintain, at its own cost, all licences, permits, insurance policies and service connections required for its business, including fire/safety approvals, FSSAI compliance for food businesses, employee-related registrations, pest-control arrangements, LPG/gas approvals (if permitted), waste-disposal arrangements and any other statutory requirement. No hazardous, inflammable, explosive, toxic or otherwise prohibited material shall be stored except where expressly permitted by law and by the Institute in writing.

3. The shop licensee shall not utilize any additional common space other than the allotted area of shop. The encroachment in service passage, staircase area and other open space shall not be allowed and will attract penalty, in terms of Shop Allotment Rules and Guidelines 2026 at Annexure-I.

4. The initial license term shall be 11 months from the date of commencement stated in the License Agreement, unless terminated earlier in accordance with the Agreement. Any renewal/extension shall not be automatic and shall be subject to satisfactory performance, absence of material default, operational requirement of the Institute, applicable financial/procurement rules and written approval of the competent authority. No renewal shall create a vested right to continued occupation.

5. The Institute shall retain ownership, possession and control of the premises. The allottee receives only a personal, limited and non-transferable licence to occupy and use the specified shop for the approved trade during the license period. Nothing in the arrangement shall be construed as creating a tenancy, leasehold interest or ownership right except to the extent mandatorily recognized by law.

6. The shop shall remain operational during the days and hours specified by the Institute, taking into account the needs of the campus community. Temporary closure may be permitted for reasonable cause with prior written approval. Emergency closure for health, safety, utility failure or force majeure shall be notified to the Institute as soon as reasonably practicable.

7. Unauthorized closure for more than 10 consecutive days may constitute a material breach after written notice and a reasonable opportunity to explain/rectify, except in cases of emergency or force majeure. The Institute may thereafter terminate the license and recover documented losses/charges in accordance with the Agreement and applicable law; punitive or unquantified loss recovery shall not be imposed automatically.

8. The Institute will not be responsible for the payment of any bill due against any member of the Staff, employee and students etc. A notice to that effect shall be prominently displayed on the shop premises.

9. If the premises are required by the Institute for institutional, safety, statutory or other bona fide public-interest requirements, the Institute may terminate the license by giving not less than 30 days' written notice, unless a shorter period is necessary for an emergency or required by law. The allottee shall be entitled to refund of any prepaid License Fee relating to the unexpired period after adjustment of lawful dues; no compensation for loss of business, goodwill or expected profits shall be payable unless expressly agreed or required by law.

10. The allottee shall not transfer or sublet the shop or any part of the premises licence out to him/her. In case the Licensee is found to sublet the shop his/her licence will be cancelled immediately.

11. The allottee shall arrange his/her own furniture, partition, installations, shelves, etc. inside the Shop.

12. The Institute may adjust undisputed or finally determined dues, damage costs and contractual penalties from the Security Deposit after giving the allottee a written statement of the amount

and reasonable opportunity to contest the same. The allottee shall replenish the Security Deposit within the period specified in the notice if the license is to continue. The Security Deposit shall not be treated as a substitute for payment of current License Fee.

13. The shop is primarily intended to serve Institute residents, students, staff and authorized visitors. Access by members of the public may be regulated by campus security rules. The allottee shall comply with all entry, identification, security and working-hour requirements notified by the Institute.

14. The Shop will be on Non-Exclusive basis and more than one shop of the same kind can be opened by Competent Authority in the same premises or in other premises of the Institute initially or subsequently. The allottee shall not be entitled to raise any objection or claim for any deduction in license period, license fee and security money in case some other shop is constructed in the Institute campus or in case there comes in existence any authorized shop. The Licensee shall equip the shop for running the business to the satisfaction of the Institute authority and shall display the articles in presentable manner.

15. The items shall be sold in the shop as decided by the Institute from time to time.

16. All goods and services shall conform to applicable quality, safety, labelling, weights-and-measures, food-safety and consumer-protection requirements. For food businesses, ingredients, storage, preparation, temperature control, hygiene, pest control, potable water, waste disposal and food-handler practices shall comply with applicable FSSAI requirements. Substandard or unsafe goods may be removed from sale and dealt with under applicable law and the License Agreement.

17. The Institute may inspect the premises, records relevant to compliance, price lists, invoices/receipts, hygiene conditions, equipment and stock during reasonable hours and, in urgent health/safety situations, at any time reasonably necessary. Such inspection shall not relieve the allottee of its independent legal responsibilities.
